# VKSPA-S6G41 ( 4 Port)

# VKSPA-S6G21 ( 2 Port)

## 4K/6G 2/4-Port DP (+Audio) Switch with IR & Serial

### ► Specifications

| Model                   | VKSPA-S6G21                     | VKSPA-S6G41            |                        |
|-------------------------|---------------------------------|------------------------|------------------------|
| Number of Video Input   | 2                               | 4                      |                        |
| Video Connector         | Input                           | DisplayPort Female x 2 | DisplayPort Female x 4 |
|                         | Output                          | DisplayPort Female x 1 |                        |
| Audio Connector         | Input                           | 3.5 mm jack x 2        | 3.5 mm jack x 4        |
|                         | Output                          | 3.5 mm jack x 1        | 3.5mm jack x 1         |
| LED Indicator           | Power (Status)                  | x 1                    |                        |
|                         | Video Input                     | x 2                    | x 4                    |
| Video Resolution (Max.) | 4K/6G (3840 x 4160@60Hz, 4:4:4) |                        |                        |
| Serial Control Support  | Yes                             |                        |                        |
| Enclosure               | Metal                           |                        |                        |
| Power Supply (max.)     | DC 9~12V                        |                        |                        |
| Dimension               | 34 x 220 x 100                  |                        |                        |
| Weight (g)              | 700                             | 740                    |                        |

\* 4K / 6G = 3840 x 2160 @60 Hz (4 : 4 : 4) ; 18Gbps total bandwidth

### ► Features

- Select 1 DisplayPort + Audio from 2/4 Different DisplayPort + Audio Sources
- Support Resolution up to 4K/6G, 3840 x 2160 (4:4:4 )
- Provide 3 ways to Control The Unit via
  - (1) Front Panel Push Button
  - (2) IR Remote Control
  - (3) Serial Control
- Accurate and Reliable Reproduction of Digital Video Signals without Attenuation and Distortion
- Enable/ Disable Video or Audio Output Signal
- Lock Push Button & IR Remote Control: Prevent Accidental Touches
- LED Indicators for Signal Activity Monitoring
- Buzzer Sound Can be either Turned On or OFF
- LED Shows The Active Status of Video Input Source
- DP 1.2 and HDCP Compliant

VKSPA-S6G41 (4 Port)

VKSPA-S6G21 (2 Port)

### Also available:

#### VKSM-W6G21

2-Port HDMI Switch with IR & WiFi Control

#### VKSM-W6G41

4-Port HDMI Switch with IR & WiFi Control
